To Our Clients and Friends,

We hope you had a successful and rewarding 2018! As we begin a new year, we have some exciting news. In an effort to enhance and expand the capabilities of our firm, the entire staff of Mayer and Company, PC has recently joined RBSK Partners, PC. This merger officially took place on January 4, 2019.

During our extensive search to improve and enhance our tax and financial services, we had discussions with multiple firms. We are pleased that we were able to join a firm that exceeded our expectations for superior service to our existing clients, while retaining the experienced staff that you have come to know over the years.

Now with offices in five, south-central Indiana locations, including Columbus, RBSK Partners, PC will be poised to become the leading accounting firm in Columbus and the surrounding area.

You will continue to work with the same staff including Matt Jenkins, Julie Ulerich, and the others at our existing location in Columbus. As your business and personal needs grow and expand, you will find that RBSK Partners and their staff of almost thirty professional and administrative personnel will be there to provide you with unsurpassed quality and personalized services. Please visit <http://www.RBSKPartners.com> for more information about our firm and its mission.

We will continue to operate from our current office. All the contact information for us will remain the same, except our e-mail addresses will change. The convention for those addresses is:

[firstinitial][lastname]@rbskpartners.com (ex. [jmayer@rbskpartners.com](mailto:jmayer@rbskpartners.com) )

The addition of five, highly-experienced partners of RBSK will also allow John Mayer to reduce his involvement in the day-to-day operations and allow him to start looking toward retirement after the upcoming tax season.

From all the staff at Mayer and Company, PC and our new partners at RBSK, we wish you great success in 2019. We look forward to continuing to earn your business and working with you for years to come. Please take a few minutes to talk with us about this new opportunity. We are confident that our new affiliation will serve us all well.

Best Wishes and Happy New Year!

John Mayer, Partner in Charge
