**Indiana Accounting Firms Acquisition**

Greensburg, IN, January 17, 2019 – RBSK Partners PC and Mayer and Company PC today announce the merger of their firms effective January 2, 2019. The combined firm will operate under the name RBSK Partners PC, providing a variety of tax management, accounting, assurance and advisory services, and more to individuals and business owners in central and southeastern Indiana areas. The firm will maintain offices in the Columbus, Greensburg, Batesville, North Vernon, and Brookville Indiana locations.

“We are very pleased to be joining forces with Mayer and Company’s team and look forward to working with their outstanding staff and clients,” said John Seale, managing partner of RBSK Partners. “We have taken this step for many reasons – primary among them being our desire to enter the Columbus Indiana market and provide our clients with a wider and deeper range of services. Our combined talents and abilities mean our clients will benefit from a more comprehensive scope of accounting, tax strategy, and business advisory services.”

As a result of the acquisition, all Mayer and Company employees will join RBSK Partners PC and will remain in their current office location, at 575 Plaza Drive, Columbus, IN 47201.

“By combining with RBSK Partners PC, we will gain access to significantly more resources and service offerings that will be a tremendous benefit for our current clients and staff,” said John H. Mayer, managing partner of Mayer and Company PC.

RBSK Partners PC is one of the leading CPA firms in and throughout the area. For decades, RBSK Partners PC has been providing quality, personalized financial guidance to local individuals and businesses. Expertise ranges from basic tax management, accounting services and payroll preparation to more in-depth services such as audits, financial statements, and financial planning. The firm also provides managed IT services that will be offered throughout the new area to be served.
